Dear Ward 2 Citizens of Forest Heights,

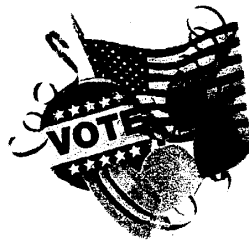

I, Clifton L. Atkinson, have been a resident of the Town for more than 29 years. I have raised 4 children in the Town, which they attended Forest Heights Elementary, Oxon Hill Middle & Oxon Hill High. I am submitting my letter to run for Ward 2 as Councilmember. During my tenure as a Councilman of Ward 2, I have attended meetings in Association on behalf of the Town.

I have been to Annapolis to lobby for the Town and met with the representatives for our District 26.

I will take my position as Councilmember of Ward 2 serious as I always do and continue to do now as a citizen volunteering for the Forest Heights Police Department (FHPD). As a Councilmember of Ward 2, I promise to represent all of its residents. I am available 24 hours, 7 days a week.

Recently, during this past winter I have use my vehicles and instruments to remove down trees from the Town streets as well as helping Public Works with salting the streets.

Currently, as the Liaison for the Police Department I have had the equipment updated for the office and the maintenance of the police cars has been done to avoid from buying new vehicles. I worked closely with Police Department employees to ensure that the Town is being patrolled at all times. I ask for your support and VOTE on March 12, 2009
