

Come out and Vote  
Re-Elect  
C. Lynn Smith-Barnes(Council President)  
WARD 1

I am proud to say that the Mayor and Town Council have worked very hard and have accomplished a great deal. If I am re-elected, I will continue to work on obtaining funds so that we might continue with our Towns beautification as well as events for our Seniors and our Youth.

Look around, the Town of Forest Heights is changing. There are and have been, activities taking place for the very first time. I would like to continue helping with the task of making Forest Heights one of the more appealing Municipalities in which to live .

Our Municipal Building is being re-furbished to meet State and Fire codes to include, heating and cooling system, handicap accessibility (front entrance and rest rooms) a new roof on the building(not the garage).

I am proud to say that I live in Forest Heights. I am not a casual visitor to the Town, therefore, these decisions affect me also.

I ask that you attend the Town Informational Sessions and Town Meetings and bring your suggestions. I encourage you to bring your skills to the table. You see--- information passed at both meetings "GO HAND IN HAND".

I appreciate and welcome your VOTE
