**\*\*The Voting Site for the Forest Heights Town Elections is at the Forest Heights Municipal Center, 5508 Arapahoe Drive, behind McDonalds.\*\***

**This is also a reminder to you that:**

- The incumbent promised to fix our streets with the additional money she collected from the tax increase.
  1. She **DID NOT** fix the streets – she has not even started a process to repair our streets
  2. She **DID NOT** put our tax money in escrow accounts (from the property tax increase)
  3. She **HAS NOT** been able to explain what she did with the money
- We need to make a change in the direction of government in Forest Heights

**It's time for CHANGE!**

**Vote JOYCE BECK for MAYOR**

- I will NEVER lie to you
- I will use money already being collected in property taxes to repair the streets
- I will ALWAYS make the Town's administrative and financial records available to you
- I will work with Council to strengthen our Police Department and Recreation Council
- I will call for an **immediate audit** of the Town's records and bank accounts

**Vote Alice Hoskins for Councilwoman Ward I**

- I have already begun working with the Gas company to repair gas leaks throughout Forest Heights
- I have a plan to stop water from running down our streets and believe we can take care of that problem as we repair the streets on the taxes currently being collected
- I will involve the Town residents in my planning for a better environment in Forest Heights

**Vote MYLES SPIRES for Councilman Ward II**

- I am Honest, Ethical and Fair
- I am experienced in finances and have a plan to repair our streets on the dollars being collected in our current (property) taxes
- I am committed to reducing crime and working with Chief Eubanks and his staff to increase the number of police officers on our streets

**Vote for Government OF the People, FOR the People and BY the People!**
