

My name is William E. Clarke. I am asking you to vote for me as a Council member in Ward III.

I have lived in Forest Heights for 34 years on South Huron Drive. I have been employed by the Town for over 20 years in the Public Works Department.

Most of you will know me as the one who drove the Town's white pick-up and picked up all the trash and glass on the roads of the town every morning.

I believe the Town Council needs to come together instead of all this in-fighting to solve the problems we have at the present time.

Even if you decline to vote for me please come out and vote this is your town. Don't let them take your right to vote away for you.

Thank you
