

## **VOTE FOR BILL CLARKE Ward 3 Council Member**

Town Residents,

I am writing to ask for your vote once again for Ward 3 Council Member. We continue to make great strides in the town and I believe we are moving in the right direction! As a resident of the town of Forest Heights for the last 34 years, I have seen our town undergo many changes and I can see that we are slowly bringing back our town spirit and the pride in community we once had! This is a great town and the people are wonderful, caring people.

For those that don't know me, after being wounded in the Vietnam War, my family settled in Forest Heights. I have always loved this town. Both of my children attended local schools, played on Forest Heights softball and baseball teams. When we first moved here, I became President of the Forest Heights Recreation Council. We organized a yearly haunted house and other community events such as pancake breakfasts and community dances. I also coordinated an annual Memorial Day service to honor those who served our great nation. My commitment to this town went even further, when I accepted a job with the town of Forest Heights. A couple of years ago, I completed 25 years of service as the Town's Public Works Supervisor. Upon retirement, the wonderful people of this town elected me as Ward 3 Council Member.

My years in military services, my time living and working for this wonderful town and my 18 years serving as a Treasure of the Disabled American Veteran, Chapter 17, have taught me many things. I understand and respect public office and the fiduciary and community responsibility bestowed on such a position. Of all the lessons I have learned, HONOR, RESPECT and LOYALTY are key and that is what you will get if you vote for me!

Thank you for your time! Remember you vote counts. Do your civic duty and vote!
