

# VOTE TOMMY DAVIS WARD II

Dear Ward II Friends and Neighbors,

As you know, I am a candidate for Council member in Ward II in the upcoming election on May 11<sup>th</sup>. Most of you have known me for a number of years, as I have been a homeowner in the Town of Forest Heights for over 25 years. I raised my children here and I have the best interests of this Town in my heart. I have spent many years helping you as my neighbors and friends, in anyway I could.

I am a dedicated public servant and I share many of the concerns of the residents of this community. As your Council member, I pledge to listen to your concerns and advance them in the Council, working toward a better and progressive community.

I am asking you to cast your vote on May 11<sup>th</sup> for someone who has been a homeowner in this town for over 25 years. Vote for someone that you know. Vote for someone who has no hidden agenda. I only want to progressively work to improve the lives of all town residents.

I pledge to you that if you vote for me to be your Ward II Council member, I will work to improve the quality of life for all residents in the Town of Forest Heights. As a long term resident, I am well aware of the issues at stake here in our Town. I have lived them for all of these years.

In my view, Council members should be truly representative of their constituents. And that is what you will have in me.
