

# WARD 1 NEWSLETTER

March 2007 | Volume 1, Issue 1

## MARCH ELECTION

By now each of you have received the Forest Heights newsletter informing you that there is to be a "Special Election" on Monday, March 5<sup>th</sup> and a regular election on Wednesday March 14<sup>th</sup>. I cannot stress how important it is for each and every registered voter to get out the vote for this election. Our town is in chaos and we need to have individuals in office that will dedicate time and energy to getting Forest Heights back on track. I have talked at length to Lynn Smith-Barnes about where she stands and what her ideas are in working to get the town back in good standing. I believe her when she says that she will work with me and the other councilpersons as a team member, not as a renegade. With her prior experience and knowledge on the council, I think that Lynn Smith-Barnes will be an asset to new councilmembers, such as myself.

There are many changes that have been made to our Town Charter and on March 14<sup>th</sup> when you vote, please pay close attention to each question. How the residents of Ward I vote, will be the way I vote when these questions come before the council to once again change our charter.

I believe that we can overcome the problems that have been left due to the mismanagement and misappropriation of the town's funds, however just as it was not done overnight, it will take a while to correct.

I would like to see more community involvement in the town and the direction the residents would like this town to grow.

I would like to have the residents have more voice in the decisions that are made by the town council.

I would like to ensure that the past 7 years are not repeated.

Just as on 9-11 the citizens of the United States put aside their differences to protect their country, we as residents must put aside any differences that we have to protect Forest Heights. Why because we live here!

On Monday, March 5<sup>th</sup> 2007 please Vote!

This is so important. Ward 1 has not had any legal council representation since Alice Hodgkins resigned in September. A vote for C. Lynn Smith-Barnes will be the first step in getting this town back in order.

On March 14<sup>th</sup> , I respectfully ask for your vote.

Jacqueline Goodall.
