A MESSAGE FROM THE MAYOR

Dear Neighbors,

This is an exciting time in the history of Forest Heights. The face of our town government looks much more attractive to those who – just a few months ago – were wondering if we knew what were doing. The street repair contractors have made site visits to the town and submitted their bids. New streams of income for the town have been identified. Public opinion from inside and outside of Forest Heights has skyrocketed. Our sure-footedness, decisive and effective action, and resolve to clean up our history, has been received in the best possible light – **stability**. Folks want to do business with Forest Heights because we are now stable. This new and progressive energy has had a fantastic effect on our ability to take action for the continued enhancement of our town.

Our efforts to reform our charter and ordinances have been praised across the country and particularly throughout the state of Maryland and Prince George's County, as innovative and a testament to our town's determination to come in line with high standards and practices in government and public administration. We are continuing in those efforts and with your continued support and cooperation, will create a town government that enhances your environment, provides maximum public safety, and maintains peace in your community.

Thank you for your help in putting Forest Heights as a community first.

Sincerely,

Myles Spires, Jr.
Mayor
