Dear Resident of the Town of Forest Heights:

I am Senator C. Anthony Muse, your State Senator for the 26th legislative district. I am writing to ask for your support of Mr. Quincy Hines, candidate for Mayor of the Town of Forest Heights. I have personally known Mr. Hines for many years. I know he is a man of integrity, a hard worker and has the desire to improve the quality of life for the residents of Forest Heights. I also believe in his commitment and dedication to the community of Forest Heights, which is needed to progress the town.

During the 2007 legislative session, I worked to try and bring back funds to assist the Town of Forest Heights in the renovation and repairs of the town hall. However, I was unsuccessful because of the real and or perceived instability, within the town government. I am not against any other candidate running, I just simply know the commitment of Mr. Hines and know that I can work with him on behalf of the Town of Forest Heights.

Furthermore, the Town of Forest Heights is a great community and is poised to be even greater, particularly with the coming of National Harbor. I believe that with the help of Quincy Hines, we can work to build a strong government and prosperous community for the residents of Forest Heights. Therefore, in the spirit of unity I pledge my support for the candidacy of Mr. Quincy Hines for Mayor of the Town of Forest Heights, and I hope you will to.
