

ANNE K. REIFSNEIDER COUNCIL MEMBER WARD II

In May you have the opportunity to select your Council Member to represent you for the next two years. I appreciate your endorsement in the past and sincerely ask for your support for my re-election.

Since moving here in 1956 I have been community oriented and pleased to reside in Forest Heights. My desire to be re-elected is so that I may continue to prove to the Town Residents my experience, dedication, loyalty, determination and willingness to work closely and harmoniously with all officials and employees in all departments to promote efficiency. I am retired, this allows me the time needed to fulfill my assigned duties as Council President, Chairperson of By Laws and Ordinances, Public Works Department and coordinator of business tax collection and tire and metal pick-up charges.

I encourage an open line of communication between our residents and Town Leaders. Please advise us if you have any concerns, questions or ideas. It is an honor to serve all Town Residents.

Many thanks for your support on Wednesday May 14.
