

ANNE K. REIFSNEIDER COUNCIL MEMBER FOR WARD II

March 14 you have the opportunity to select your Council Member to represent you for the next term. I appreciate your endorsement in the past and I again respectfully and sincerely request your support that I may serve you for another term.

Since moving here in October 1956 I have been community oriented. Previously I have served on the Council for eight years, (four terms), treasurer of the Recreation Council for eighteen years, organized the annual yard sales, Memorial Day Ceremony, Childrens Christmas Party and many other activities.

My desire to be elected is to prove my previous years of experience as a Council Member and my many years of budget and financial planning during my employment. My latest endeavor has been to restore our voting rights and our Town Charter. The council has passed many resolutions, one changing the terms in office from two years to four years, thus depriving us of our May 2006 election. I spent much time on the petition that many of you signed and this was given to the council with more than the required 20% signatures., however, they have ignored us. I am dedicated and determined to promote efficiency and return to stable Town Government. I am retired, this allows me ample time to fulfill my assigned duties.

I encourage an open line of communication between our residents and Town Leaders. Please advise me if you have any concerns or questions, 301)839-1146. It would be an honor to again serve you.

MANY THANKS FOR YOUR SUPPORT ON MARCH 14.
