

DORIS STEPHENS FOR COUNCIL MEMBER WARD III

To the residents of Ward III:

Hello! I am Doris Stephens. My family and I moved to Forest Heights in 1994. I am a wife and mother of two sons. They attend Forest Heights Elementary and Oxon Hill High School.

Since moving to Forest Heights, I have been actively involved in and supportive of the community. I have been involved with various Forest Heights Community projects. I have been involved with various Forest Heights Community projects during the years that I have lived in Forest Heights. I have been a member and Chairman of the former "**Neighborhood Watch Committee**"; the "**Awards Program for Our Youth**", and "**Child Safety Advocacy**", etc. In 1998, I helped organize the **First Annual Day Picnic**. Most recently I have helped with the "**Share**" program. This is a community program where people can purchase a package of food for \$16 and 2 hours of community service with a retail value of about \$35.

I think that Forest Heights has a bright future. I believe in unity within the community. As a concerned citizen, I also believe in promoting an environment that will reflect the needs and values of our citizens. As your Council person, I feel I can represent you further in the unification of the community. I truly believe that Forest Heights can be one of the best communities with productive citizens.
