

I am Larry M. Stoner, your acting mayor. I am asking for your vote and support in the upcoming election for Councilman. I have lived in the Town of Forest Heights since 1977 and have a deep vested interest in how the town is run. I have raised two sons and a daughter here in Forest Heights and have been advocating on your behalf since my arrival in the town. I have been very active and have taken steps to ensure that the town is well represented. Wherever and whenever I was needed I was there for you. It does not matter what I have to do for Forest Heights, consider it done. I have served as a councilman for ward III and have served as Council President. I bring a wealth of education and experience to the town: I have a Bachelor's degree in Social Welfare from the University of the District of Columbia; I am a retired Metropolitan Police Officer from Washington, DC. I have served as Chapter President of Blacks in government for two terms at the Office of Personnel Management; I have served as a Union Steward. I have served as Executive Treasurer of BIG, served as a Loaned Executive for the Combined Federal Campaign. I have served as the Floor Warden for OPM Emergency Evacuations, and have received a service award for Community Service Volunteer Award of the Year in 2001. I currently work as a Personnel Management Specialist at the Office of Personnel Management.

I have taken many classes, seminars and Maryland Municipal League works shops learning new ways to better serve the town:

- Budget Preparation
- Municipal Government
- Introduction to Supervision
- Labor relations Briefing on Contract Administration
- Labor Relations for OPM Staffing Services Supervisors and Managers
- Supervision and Group Performance
- Union Steward Training

I have networked with many senators, delegates, county, and municipal council to gain knowledge and ideas to help deliver better service. I have worked well with the town council during the crisis with the suspended mayor in straightening out the towns business, working with the town attorney, representing the town in court etc. The police department has stepped up its service in protecting the town and has received many accolades from town businesses and residents. The streets are cleaner; trash collection is being handled in a more timely fashion. New procedures have been put in place to

Before Judge Nichols decision to have 2 Councilmember's removed that made all Resolutions null and void, one of which pertained to having a Mayoral Election, I had filed for the Office of Mayor. In order for me to continue to serve you and represent the Town of Forest Heights I have to run for my Ward seat. I am asking for you continued support. Please vote for me as a WRITE-IN, please write in (LARRY STONER). Thank you!
