

I am Larry M. Stoner, your Mayor. I am asking for your vote and support in the upcoming election for Mayor. I have lived in the Town of Forest Heights since 1977 and have spent an enormous amount of time representing you & the Town of Forest Heights! I have met some powerful people that can help us get our Town back in good shape. I have raised two sons and a daughter here in Forest Heights and have been advocating on your behalf since my arrival in the Town. I have been working overtime trying to obtain revenue for the Town. Forest Heights is my number one priority and I plan to work even harder when re-elected to the office of Mayor! I have served as a Councilman for Ward III and have served as Council President. I bring a wealth of education and experience to the Town: I have a Bachelor's degree in Social Welfare from the University of the District of Columbia; I am a retired Metropolitan Police Officer from Washington, DC. I have served as Chapter President of Blacks in Government (BIG) for two terms at the Office of Personnel Management (OPM); I have served as a Union Steward. I have served as Executive Treasurer of BIG, served as a Loaned Executive for the Combined Federal Campaign. I have served as the Floor Warden for OPM Emergency Evacuations, and have received a service award for Community Service Volunteer Award of the Year in 2001. And also I have been retired from the Office of Personnel Management since January of 2008 as a Personnel Management Specialist, which gives me more time work as Mayor on a full-time basis

I have taken many classes, seminars and Maryland Municipal League works shops! I have learned new ways to better serve the town. I continue to enhance my leadership skills and capabilities! Some of the classes are below:

- Budget
- Municipal Government
- Introduction to Supervision
- Labor relations Briefing on Contract Administration
- Labor Relations for OPM Staffing Services Supervisors and Managers
- Supervision and Group Performance
- Union Steward Training
- Robert Rules of Order
- Ethics
- Interviewing Techniques

I have networked with many Senators, Delegates, County, and Municipal Council to gain knowledge and ideas to help deliver better service. I have worked well with the Town Council during the 2006 crisis in straightening out the Towns business, and representing the Town in court! I have recently represented the Town in the Nickens, Spires, Ross case and the Town won the case, which would have caused the Town great harm had we not won! I have had the Police Department step up its patrols. The streets are cleaner; trash collection is being handled in a more timely fashion. New procedures have been put in place to minimize police car maintenance, bills are being paid on time and we have delivered effective services. I have trained new staff in fingerprinting in order to bring in additional revenue! Our filing system is up to date.

TOGETHER WE WILL BRING THE MUCH NEEDED CHANGE THAT THE TOWN IS DUE!
