

TAUNYA L. HINES FOR COUNCIL MEMBER WARD III

My name is Taunya L. Hines, I've been resident of the Town of Forest Heights for 25 years. An active parent and volunteer for most of them. In the past I've served on the council as a representative of Ward 3 and have served the community as a citizen. I am currently the liaison for both elementary schools in the town, on the Community Action Team (CAT) and I'm also part of the neighborhood watch . As council woman of ward 3 I think I would be a valuable asset to my fellow citizens and the town. If elected I would work with my colleagues to continue to better the town and answer some of the constituents questions and concerns such as:

Police visibility- Why don't we see our police officers ?

Questions we still have about our budget- How much money does our town have and how in debt are we? When exactly does our fiscal year start? and

Taxes- are they going to be raised and if so by how much?

I will work hard and continue to implement programs for the children and senior citizens. I feel there is a need for a representative that will speak for the soft spoken, the working class and those that don't want to directly get involved... I will be that representative if elected. Please come out on March 8, 2011 between the hours of 11am and 8pm and let your voice be heard by voting for someone that will make a change, listen to what you have to say and work toward making a difference in this community. As long as GOD be for the Town of Forest Heights and myself I know we will get through this together. No matter who you decide to vote for please come out and exercise your right to vote, remembering ONE vote does make a difference.
